

DJS RESIDENT ADVISOR II (2607)

I. NATURE OF WORK:

A DJS Resident Advisor II is the full performance level of work providing supervision and guidance to youths residing in a facility operated by the Department of Juvenile Services by observing and interacting with youths, assisting them with everyday life skills and advising them of appropriate alternative behaviors as needed. Employees in this classification provide guidance and advice to lower-level Resident Advisors but they do not supervise other employees.

Employees in this classification receive general supervision from a DJS Resident Advisor Supervisor or from a designated administrator. The work of this class may require travel to various locations for youth appointments and activities, such as courts, local health departments and community service project sites. Employees are assigned to a regular shift but may be required to work other shifts, evenings, nights, weekends and holidays as required by staffing needs. Employees may be subject to call-in based on staffing needs. Employees may be subject to verbal abuse by youths and will be required to remain calm in stressful situations involving agitated, irate or overwrought youths.

The DJS Resident Advisor I and II are differentiated on the basis of supervisory control exercised by the supervisor over these employees. The DJS Resident Advisor I performs duties under close supervision until fully certified. Following certification the DJS Resident Advisor I performs a limited range of duties with some independence at times and under close supervision at other times, depending on the complexity of the specific duty being performed. The DJS Resident Advisor II performs the full range of duties under general supervision. Employees must be fully certified by the Maryland Correctional Training Commission prior to appointment as a DJS Resident Advisor II. The DJS Resident Advisor II is differentiated from the DJS Resident Advisor Lead in that the DJS Resident Advisor Lead trains and assigns and reviews the work of lower-level DJS Resident Advisors.
